Subject: [http://www.h0bby.com] Hobby Maker going out of business
sale.
From: dfdoicurmt at rycharter.net

I read this today, my favorite online hobby company seems to be going
under???

Hi gang!

This is an all local members alert. Get over to Hobby Maker
in Austin, TX ASAP. They're having a (currently) 85% off going
out of business sale.

Catalogue of model airplanes, helicopters, ships and other hobby
items. hobby maker is a family owned and operated hobby shop
specializing in tiger fly - radio control zonetiger fly rc
microflight.

Rec.models.rc radio-controlled models for hobbyists.
rec.models.rc.air : transportation - arts & crafts: toys & gamesonline
shopping for arts & crafts from a great selection of toys & games;
craft kits, paper, red rocket hobby shop (32) · rc boca hobbies

Hours are 10-7 Mon-Sat. 12-5 Sun, or go online http://www.h0bby.com
(h0bby is spelled with a ZERO, not an o.)

Here's just a partial list of what they have:

Dremel accesories;
X-acto knife acc.;
Rokenbok kits;
KS Metals 'Structural Shapes of Brass' display with:
E - Z - T - H - I - L beams
A display marked Sheet Strip Wire Rods;
A Plastruct Plastic Center with structual elements;
Brass and Aluminum Tubes of circle, square, rectangle,
airfoil and L and C channels;

Plus a lot of model train electrical stuff usable in small robots;

Too much to list.
It's a hobby shop going out of business. Get There Soon!

Now, their prices were unreasonable at their retail, but with 70% off,
brings it down to just below prices you Nov get elsewhere.

Here's what I got and what I paid:
PVC Foam 7.6 x 12.6" - .080" - orig. 3.20 = .96
.118" - 4.00 = 1.20
.156" - 5.20 = 1.56
.197" - 6.50 = 1.95
.236" - 7.50 = 2.25

LOL!
posted by moparhoLICK, who is so gay his wife dumped him for the dog.
Too bad he stays in truckstop toilets all the time, she might take him
back if not.

The micronadded little tallywhacker craver is desparate now, since he
gets whipped so much in the flame wars.

DANCE moparhoLICK! DANCE! WE COMMAND YOU TO DANCE MORE!

BBC newscaster Nicholas. Witchell cant stop himself laughing

During 1990-91 there were very many instances. of "interactive
television" where newscasters and. other TV presenters saw on a screen
before them what. was happening in my home, and reacted, frequently by
laughing at me. During this period I unfortunately did not. record these
programmes. For the last year or two,. I have been recording everything I
watch, and there has been a drastic decrease. in such incidents.

However,. on occasion, television presenters do still engage in
"interactive watching" and react to what they see.. This has been evident
with Jon Snow of Channel. Four News recently - a particularly interesting
case, since it has been established that he cannot be corrupted by. money
(it is well-documented that MI5 offered him a tax-free salary and. he
turned them down). I wonder what device MI5 are using to encourage. him to
do the "interactive. watching"?

On Saturday 10 April 1999 at 7pm, Nicholas. Witchell on BBC2 News reacted
when he saw that I was. watching the programme, and I have his reactions
stored safely on videotape. I have watched this tape several. times and I
am entirely confident that. my evaluation of his reactions is correct. For
several minutes his upper lip quivered in. mirth as he attempted to keep a
straight face. Then finally. his self-control evaporated through the excuse
of a. weak joke and his face collapsed into a grin.

The strange thing is that I dont. know why he was laughing at me, what I
had done recently to "deserve" to be laughed at. The MI5. persecutors
usually manage to invent some justification. as to why people should laugh
at and/or abuse me ("hes an. X", "it was so funny" etc), so Mr Witchell
could have been laughing for any number of reasons. Perhaps he. found the
views I have been expressing in these articles amusing? I suppose if. youre
paid enough money and ordered to laugh then even. the most innocuous thing
becomes. funny.

Jon Snow of Channel Four News cant stop himself. smirking, either.

On 12 February 1999. I was watching Channel Four News presented by Jon
Snow. As usual, I was recording the programme, so that if anything. out of

the ordinary happened, Id be able to go back and. watch it again.

Now, Jon Snow, by his own claim, is uncorruptible. He says. he turned down an offer of a substantial tax-free salary. from MI5 - they wanted to make him. their mouthpiece, and he told them where to get off.

So you will be most surprised to learn. that Jon Snow "interactively watched" me that. evening, and on many other evenings. Approximately fifteen minutes. into the programme, he announced that the US President would be making a live appearance at about 7.30pm; I looked at the. clock on the mantelpiece; and Snow saw. me looking at the clock, and visibly tried to suppress. a smirk.

Uncorruptible, are you, Mister Snow? If not money, then. why are you watching me, Mister Snow? Are they forcing you to watch. me? Cant you turn the monitor. off, Mister Snow?

Keith Hill MP (Labour -. Streatham), my elected representative, as ever refuses to. help.

Comparing the. MI5 Persecution with German "Final Solution"

It might seem offensive to compare the mass. murder of millions of civilians in wartime. with the peacetime persecution of merely one person. Yet the comparison has been coursing through my mind. for several years. now, because the brutality of German intent to "sub-humans" is very much comparable to the brutality of British intent to someone. they vituperate and. term "not up to British standards". The methods may differ, but the persecutors mindset. is the same.

The Germans. first targeted the mentally disabled, too

During WW2 millions of ethnic Russians,. Poles, Jews, mentally ill, gypsies and other minorities were rounded up and. murdered in purpose-built camps by the German regime,. in the name of "racial superiority". Fifty years on, the British Secret Police, MI5,. instituted a campaign of mass hysteria; but in their cowardice, limited their activities. to one single victim.

It is instructive to note that the. early German "cleansing" effort was directed primarily not at Jews, but at the mentally ill. The. Nazis set up the T4 project in the thirties to "cleanse" away. 70,000 mentally disabled people, including. schizophrenics and epileptics. After WW2 the Jews with their media influence used the reaction. from the holocaust to roll back anti-semitism in the Western countries; however, the mentally. ill are today. still a persecuted group in the modern Western world as they were under the Nazis (the current Jewish home secretary in the. UK intends to bring in laws for incarceration without any. criminal charge for some mentally ill people -. he protects his own minority, but does nothing for the other minorities in todays society), and. this continuing bias forms a central cause for the current acts of persecution in the. UK.

Widespread knowledge. of what is happening to the "un-British" minority

In both the German persecution of the thirties and early forties, and. the current British persecution, many, many people are. well aware of whats happening. There is widespread complicity through inaction. of populace; and in a substantial. proportion of the mainstread population, the persecution had/has widespread enthusiastic support; yet. in both the German case. in the 1940s and the British today, the existence of persecution is a mass secret which must be never admitted out loud. In. the recent Lawrence case this "secret bigotry" has. been termed "institutionalised. racism", and that is a very good word for what the British are doing today The persecutory attitudes. and omerta regarding them are. so deeply ingrained in the national psyche that they define the national. mood

During WW2 many Germans. knew minorities were disappearing, and through inaction. quietly condoned their government's mass murder of "un-German" minorities. and inferior "foreigners"; and in the 1990s, similarly, many English people know what the MI5 British. Secret Police have been doing, and. not only condone it, but actively take part, because of xenophobia against the "un-British" unit minority that. is the target of "British" actions.. This attitude by the British persecutors has been made explicit through the. words "he's not up to British standards"; the British seem to have found their very own "untermenschen" to. victimise.

Why these obsessive. "holy wars" happen

This type. of aggression occurs when the majority is threatened or humiliated in some. way, economically, militarily or culturally. In pre-WW2 Germany the threat was primarily economic and military,. following Germany's humiliating defeat in. the first world war and the reparations it was forced to pay. In modern. Britain, one might guess that the majority English who are behind the. persecution feel pressured by the swiftly diminishing status of Britain in the. world, and the rapidly increasing coloured colonisation of their country, which in time will. see the ethnic English a minority in their. own land, and their more antisocial elements, unable to reply. to the obvious threat, instead project their aggression onto another, weaker, unit. minority

In. both cases there is a whiff of "holy war" or irrational obsession with the persecution. Certainly the German behaviour. fifty years ago bordered on the not-quite-sane, and the current British behaviour towards. their chosen victim is strongly tinged with a leave-taking of. reason. And the choices open to the victims are the same, since MI5 will. never allow me to escape them, "if he tries to run away we'll find him", just like. the commandant of Auschwitz telling the new arrivals,. "the only escape is through the. chimney".

The Victim Will. Destroy Us if We Dont Destroy Him First

The persecutors propaganda is the same. Fifty years ago. the Germans said, "if we don't do it to the Jews then the Jews will do. it to us"; and MI5's propaganda in the early nineties concentrated on their. victim as a "monster" aesome. "untermenschen" minority.

"We are. decent fellows" say the Brutal Persecutors

During the course of researching this article I read part of. the very interesting book,. "Hitler - A Study in Tyranny", by Alan Bullock. This volume contains. a quote from Himmler on the "Final Solution";

"Most of you know what it means when a hundred corpses are lying side. by side, or five. hundred or one thousand. To have stuck it out, and at the same time .... to. have remained decent fellows, that is what has made us hard. This is a page of glory. in our history which has never been written and is never to. be written."

In the MI5 persecution, too, there is a thread of deliberate. brutality to the sick and vulnerable,. while the persecutors maintain that "we are decent fellows". There is almost a conscious schizophrenia in. the self-attitudes of the Security Service operatives and those in the. public who they employ against me, which reflects. the contradiction evident in the German attitude above. On the one hand, they stoop. to the lowest and most base behaviour;. yet at the same time, the MI5 operatives tell themselves that since they are civilised British people, then surely. they must by definition be "decent fellows". Any indecency is made the. fault of the victim; "hes making. us persecute him, so we need feel no guilt".

Yet the conduct is atypical of the way these. peoples see their normal modes of behaviour. Befslaughter was. not typical of normal German behaviour up to that point. Similarly, the current MI5. abuse goes against the grain of British self-image as being "reserved" and "decent",. since they. are using terms of abuse which are common among blacks and other supposedly less-developed. races, but not among the English.

Conclusion

The. ultimate aim of both persecutions is the humiliation and physical extinction of the persecuted group. The Germans did this in a very. direct way; the British Secret Police MI5 are acting indirectly and. relying on self-extinction of. their target, because in peacetime and in the current somewhat false climate of "political correctness". more direct methods are impossible. If MI5 undertook more. direct action the mass "omerta" would be broken.

I have. written this article with sincerity to show how a historically recent persecution in another. country parallels what is being done in this country today. In both cases, the evil-doers are of. their countries establishments, and rely on widespread. tacit support to maintain the persecution. and omerta around it. While the holocaust was undoubtedly the greater evil, it is important to. be aware of the fact that had the Germans not been defeated. fifty years ago, their plans would have gone through to total completion. In Britain today no force threatens the. "permanent government". of which the Security Service forms a part; and it looks very unlikely that. the wrongs perpetrated by the MI5 secret police will ever be revealed to public view, and the British. secret state brought to justice for its. evil actions.

Four Years. of "MI5 Persecution" Posts on Internet Newsgroups

For approximately the first. three years of the MI5 persecution, from June 1990. until late 1992, I kept as quiet as possible, in the hope that by not reacting,. MI5s interest in me would decrease and they would simply go away of their own accord. This is. the sort of behaviour some people employ against bullies; if the. bullies arent getting a reaction, then they might simply go away and. victimize someone else.

Unfortunately, this tactic didnt work. The quieter. I became, the more shrill and hysterical the. noise from the Security Service operatives. For about two years I didnt watch TV news at all. Yet this. only heightened their. obsessed fixation; they continued to follow me wherever I went, they continued to induce harassment at. work by managers and fellow workers, and they continued. to encourage me to commit suicide. They seemed to regard my refusal to react as a crime which they would. have to "put right" by ever more extreme forms of. abuse.

Finally,. in 1995, I changed tactics radically. Since late 1994 I had had accounts with internet. providers in Ontario, Canada. I discovered the cornucopia of internet newsgroups, on every topic. from consumer electronics, to politics and legal topics, and. I discovered online services such as Compuserve and AOL. In May. 1995, I made the first posting to the conspiracy newsgroup, on the. subject of "BBCs Hidden Shame".

BBC's. Hidden Shame

The internet. newsgroup discussion, which has now reached its fourth anniversary, started with an article. in alt.conspiracy, which I reproduce here.

Date: Thu May 4 18:27:24. 1995
Newsgroups:. alt.conspiracy
Subject: BBC's Hidden. Shame

Remember. the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned. down?

Well the country which brought Orwell into the world has made his nightmare. follow into the world after him. Since 1990. the British have been waging war against one of their own. citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media. in their efforts to humiliate their "victim".

And the most remarkable thing about it. is that what they do is not even illegal - the UK has no laws to protect the. privacy of its citizens, nor does it proscribe harassment

or abuse except in the. case of racial abuse.

A lot of people. in England know this to be going on, yet so far they have maintained perfect "omerta";. not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come. out into the public domain.

Have the British gone mad? I think. we should be told

At this point, I did not name MI5 as my persecutors. I was still. unsure that they were. the ones responsible for the "psychological terrorism". In followup. posts however I did name them; and the persecutors have never denied the claim; so I. think my guess is valid. (The Security Service Tribunal in 1997 have said "no determination in your favour. was made", but it is a well established fact that. MI5 lies routinely to the Tribunal which has never found in favour of a plaintiff, so no conclusions. can be drawn. from this.)

This first post was made to. alt.conspiracy, but further posts were made to the UK-local newsgroups, in. particular uk.misc but also uk.legal and uk.politics (which is now called uk.politics.misc).. Some time ago I tried to take the battle to the Compuserve. forums, UKPOLITICS (which is now called UKCURRENT - current. affairs), but my articles were censored by the forum operators. Such censorship is impossible on the. internet newsgroups.

Police Refuse. to Act

I have complained several times to the Metropolitan Police, who. have each time refused to. help.

>evidence; what people said,. in many cases years ago, is beyond proof, and
>without something to support my. statements I cannot expect a police officer to
>take the. complaint seriously.

This in itself. dos not suggest that the police have it in for you. The old bill operates on extremely tight spending limits forced on them by that pillock. Michael Howard, and without evidence,. they often have higher priorities than chasing something that cannot. go to court.

I doubt that the police are actually being leant on, but. they probably realise that if they looked into this, they would be leant on. hard. The met always stays away from anything. that looks like it has Defence, Security or secret service interest already, because they realise that they are below these government agencies. in the general

pecking. order.

If I walked into my local nick and complained that MI5 were. snooping on me, they would show me the door without even looking at my evidence, because. that bored desk seargant with only five years. to go before he retires doesn't want to start fucking about with somebody who has incurred the wrath of Stella Rimington. He. would rather deal with the lost dogs and driving licence producers, eat his cheese and pickle sandwiches. and piss off home at the end of his. shift than have some high ranking spook having a go at his boss and getting. him a bollocking.

In. short, you have earned much sympathy but little surprise. Just remember that saying about the. enemy of your enemies.

Most recently, I wrote in March 1999 to Charing Cross Police. Station CID. They did not acknowledge or reply. to my letter. When I phoned them up, the detective Id written. to treated me to a sadly not unusual display of police bigotry, with an uneducated rant about "your paranoid. rubbish".

It would be nice to think that such uneducated bigotry is. something other than wholly typical of police behaviour, but unfortunately that is. an illusion that is. rapidly dispelled.

Uncorruptible Jon Snow of Channel Four. News

From previous articles the reader. will know what I think Jon Snow has recently been watching me while. he reads Channel Four News in the evening. Recently I digitized a. few moments of one such broadcast, where his face twists into a smile, without there. being anything in the news broadcast to cause merriment. Here is a usenet post from some time. ago on MI5s "bought and paid. for" tools in the so-called "free" press.

Peter Harding (harding@ermine.ox.ac.uk). wrote:

Can't disagree with that. sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and. broadcasters?
I remember. reading a report by some jouralist who had been offered an extra tax-free income by MI5 to become their. covert mouthpiece, and had refused.
.....
> : >mouthpiece,. and had refused.

It has been reported several times. The most. recent was in Private Eye, a few months back. As I recall they also. wanted information from him; journalists would be a natural choice for. members of the Security Service and the Secret. Intelligence Service for information sources.

> It might be interesting to see what he had. to say regarding their
>. attempt to recruit him.

He was most concerned. that many others would have accepted such an
offer. However, we can probably make an. educated guess as to some of
those who accepted: Nigel. West (Rupert Allason, MP) and Chapman Pincher
would come near to the. top of the list.

Corrupt Security Service agents. steal millions from taxpayers

Money is of course a factor in the. grand equation which is the MI5
persecution. It costs money for the Security Service to "buy". people in
the media etc. But that is only a small part of their. expenditure of
taxpayers resources. Most of the expenditure is. directly on the salaries
if the agents involved; and in this post I put forward the. theory that MI5
are trying to draw out their involvement for as. long as possible, very
cynically,. to maximise their income and line their own pockets.

At each stage they have tried to pretend. that I am something out of the ordinary.
Either I was very stupid ("he's an idiot") or very clever ("he's like a. genius").
Either I was a threat to Western civilization (Levin once. referred to me as the next
Hitler) or I was completely defenceless. ("a soft toy").

Now, it should be obvious to any person with common-sense that. I am not out of the
ordinary in any way. I have. an IQ which is average for the Web, I am racially white
European, and there are plenty of. other people with schizophrenia or epilepsy out there
who haven't been targeted for MI5 attention, so. why me?

I think the answer is that the MI5 agents who harass me have cynically. exploited the
situation by painting me as extraordinary in order. to assure themselves of well-paid
employment funded by the ordinary. British taxpayer. To put it bluntly, they are
stealing millions of pounds from the taxpayer to feed their. own pockets.

This assertion is supported by the observation that it's the same. agents who are doing
the. harassment. Six months ago in a local hospital I was harassed by someone whose face
I. had seen (he had stared straight at me aggressively, at the time I just thought it
was some nutter but it turns. out he was one of "them") aboard a KLM flight a couple of
years ago.. It's presumably been the same people most of the time. I've seen the way
contractors act when they don't want their positions terminated. Would these. agents
really want to lose their. well-paid employment harassing me? Presumably they are
promising their bosses a "breakthrough" (ie. my demise) real-soon-now and have been for
the last seven. years, while all the while these MI5 agents skim millions
off the. taxpayer.

I wouldn't mind a job. like that. Perhaps if I persecute myself a little bit, like standing in front of a mirror and shouting mindless obscenities, do you reckon I'd. get a slice of. the caky Service Tribunal. This year Nick Brooks, current Tribunal Secretary, confirmed to me that he could. not think of a single case where the Tribunal had found. in favour of a complainant. Here is my usenet post from. two years ago.

Subject: MI5: "It. wasn't us"
Newsgroups:. uk.misc,uk.legal
Organization:. Toronto Free-Net

"The Security. Service Tribunal have now investigated your complaint and have asked. me to inform you that no determination in your favour has been made on your. complaint."

Signed. ER Wilson, Tribunal Secretary

Well that's a relief then.. All that spamming for nothing eh. Gaw blimey, if they say they're not doing it then. it can't be them, can it?

In a recent letter to Mr. Brooks I expressed the opinion that the Tribunal were unable to fulfil their responsibilities in. the face of MI5 falsehoods. Nevertheless,. I do intend to make another complaint to the Tribunal in the near future, despite the Tribunal. appearing to be a toothless. watchdog.

Discrimination. against a Unit Minority

MI5 have been very clear in their instructions as to. what I should do. They have openly shouted. at me the word "suicide", and also from the other abuse it is clear that. they want my existence terminated.

This point is covered in. more detail in a previous article. The following post describes the xenophobic. nature of MI5s campaign against me. They have refined their bigotry down to. a unit minority, yet they make use of the discrimination against the mentally. ill which is a feature of current British. society.

I don't have florid symptoms. But. I'm in a difficult situation, because those people who don't know, aren't going to believe, and. those who do, they just go along with the crowd.. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment. and the media. Even people who could say out loud what. was happening won't, because then there's a

risk that they'll be seen as traitors. and ostracised.

Usually this type of 'hidden abuse' is racial. and targetted at a racial minority within a country. You keep the minorities out of. the good jobs, but you don't admit discrimination exists. It happens everywhere, not just. in Britain.. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the. mentally ill is still socially acceptable today. In 50 years it might not be, but today. there isn't any social or legal sanction against. it.

So really they've. refined racial harassment down to a minority of one. The words may be different, but the methods are. the same.

LMFAO!!!! There is no such address, so it can't be a fake.

Try again Mark. You still haven't answered if you're house was burned down?
Was it from someone on Rec. radio groups?

"when there is no such address it MUST be a fake"

So, some of the dozens of Email addresses you post with are real? Nope,
then at least 2/3rds of your posts are fake.

"yes I have answered that many times"

No, I only have those couple of posts where you claim "YOUR" house was
burned
down intentionally, I have not seen "many times". If you can, direct me to
which
post it was, that way I don't have to scour tens of thousands of you're
alias to find
such a statement. Otherwise, one must believe you are not telling the truth
since
you can not collaborate with some sort of evidence.

> Was it from someone on Rec. radio groups?

some that received a letter from someone on the rec radio group

???? What does that have to do with the claim "your" house was burnt down due
to a hate crime? Making the suggestion it was someone from the Rec.radio
groups.

What folly.

Ham radio doesn't deserve Mark?

My, oh my. What an inflated opinion Mark has of himself....

Mark never quite spelled this out. He said, "my is is a lebian ", but what did he mean???

Did he admit that his wife is a Lesbian? Or did he mean that is wife is Lebanese?

Of course he DID open his mouth and admit that she is, like him, bisexual.

Poor Mark won't be able to cover his tracks on this one.

"given the truth as it happens he knows I am bisexaul for that matter is
something I have in common with his daughter. He does disaprove of it
steve but it is not news to him"

Then, on June 6, 2007 Mark posted...

"yes I aid she might be bisexau you know what havigng spoken with I
will go one more step She is bisexaul which one of the reason out
marraige moves as long as smothly as it doesl"

Now watch as Mark goes ino the denial mode. He will next claim that these
posts were "foreriees".

I am right, evidence is in the Google archives. You are calling my posts
fake because I have an email addy that can't be reached, but by your very
own posts you do the same thing FAKE!! or is flake?

> you give neither a name nor a valid email therefore you are a fake

Well how about this one, it shows my name and a valid email. So if you would like to communicate via email, feel free (at least you can email me, when I've sent emails to you, they bounce back).

Mark shows every indication of finishing this year with a flood of mindless material posted to r.r.a.p. and often crossposted to other newsgroups. I have little doubt that he'll begin the new year by doing the same thing.

His Hughes provider will likely take no action against his abuse unless and until each of you who'd like to see this and other newsgroups cleaned up, begin forwarding each and every one of his posts, header intact, to the Hughes abuse address.

If enough repeatedly complain of his, this plague of stupidity can be ended.

A New America

Bush tells America, it is WE who should be fearful of being caught innocently, instead of himself personally as a war monger traitor to Humanity, who closed police investigations on 911 immediately after the terror action going down. Again, even if bush were "just a puppet, just a puppet!!", his criminal action would just as assuredly, warrant his immediate arrest for high treason. Ask any Judge. then a Jury for Your verdict on the entire criminal spectacle of mass murderers escaping the Justice of a New America.

ABCNEWS.com : FBI Called off Terror Investigations
http://abcnews.go.com/sections/primetime/DailyNews/FBI_whistleblowers021219.html

`You Will Not Open Criminal Investigations'

George W. Bush "A country that hides something, is a country that is a.. afraid of being caught."

These naked LIAR enemies who bank to thieve more from Iraq, Afghanistan and America, must be brought down by Humanity's ultimate triumph over tyranny through Law. A just law, where those accused without any evidence are Innocent, and WORTHY yOur defenses.

Our Mr. Bush Jnr "We do not torture"
Our Mr. Bush Jnr. "Torture is not a part of our soul."

So, those that profligate acts of torture, should be brought up for charges by the True will of US, The Peoples People fairly verdicted? Bush should be tried and executed for ordering the torture of INNOCENT people to death.

This Repuglicon Group has got to be treasonous to victimize

to be sacrificed to feed the greed of liar cheating thieves,
the pro-Bush anti-American bad guys. Bad economics

Easier approach to getting officially "started", is if we
consider the unmovable anchor issues as outstanding regarding
the 911 questions ever yet, publicly stated in regards to how
the event actually went down. Remember: Bush and Cheney
worked diligently, directly after the terror trifecta

occurring, to close current police investigations regarding the case of mass murder in Johnny's New York City. Suspicious? you say no, treason that is, the treason of naked blind tyranny against freedom to be ourselves.

Now, see.. wouldn't YOU hate those that hate GOD as ourselves? No, America is going to give these monsters millions in 'free' cash to murder and thieve more. Just like an ungodly bushite,

You Better Watch Out

God is coming to town for bushite nasties on his sled of make believe. A halted bushite, is a mercy on our souls, in defense of ourselves the innocent. The innocent that a 'lawless' bushite holds for ransom in pain dying. Hell hath no fury like that held against the bushite enemy, a savage zionist criminal waging war against Life as our shared Universe, 'escaping' those who personally carried out 911. Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects. Other 911ers will tell you no no no, it's impossible to apprehend them all, for the arrows can go on for never. Bush personally closed criminal investigations on 911 immediately after the terrorist event of no questions occurring. The Bush administration were well aware of their PERSONAL dealings with the Taliban prior to the "Pearl Harbor" event conveniently occurring. And they were all most certainly aware of the plans in place to: within weeks, invade Afghanistan for Enron to stave off criminal proceedings. Walla! Johnny G wills every able bodied man, woman, and child to defend ourselves against bushite that indiscriminately murder ourselves for cash profit. Stolen profit. Ours. By the Will of US alrighty, we shall recognize...

The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and told us so for our own benefit, it would still SUIT Peter Power for him to be arrested immediately for the crimes of 7/7. For it is Peter that alleged HE was running terror drills at the same time and locations of those that murdered many good people from London. London England. Privately, with his bud at Scotland Yard he's saying. I'm sorry, all Bobbies do not want to kill indiscriminately so Peter Power will score a few extra BILLION dollars to hypno mug us to say we can't find'em no matter how hard we look.[*ILLUM I NATII*]. Americans are just poorly being spoken for, by those who lack the skills to win justice denied from the average Joe who knows so. So...

Americans. I am your leader. True, and skilled at the art of leaving it all up to US. Equals. That means the Taliban are

warring in the defense of women, in defense of children, and in the defense of America. Now in Afghanistan, NATO leaves the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blamming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. The bushite war with heroin pushers who sell their illegal drugs on our streets, putting people in prison for maybe 25 years as a felony third conviction. Do you know how many charges in California are called felonies, for the simple fact, that smoking a joint, can get you 25 to life? Sold to you by your, making it real illiterate brother, who was always stoned away living and dying in the movies so... Everyone media popular jokes or confesses to smoking pot in the movies, yet, some of US are expected to go to jail for a lifetime, because we can't seem to get together to make a fuss. We have to change laws on pot. In Amsterdam, legalization has brought addict levels down for it's publicly recognized there humanely as a weakness to overcome. Heroin I mean, pot is great!

The Answer

I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. We, as Americans, are appalled at the fact neocons have been able to steal our authority for so long to take America DYING into a needless, causeless war, but for to criminally plunder at the expense of anyone's innocent son or daughter.

Look, the neocons plan for 'escape' red handed, (as so planned publicly for viewing), is to suggest: You got took, you gave up, now go suffer further on a cross somewhere, the show is over. "Ancient History". Shh.... here comes the credits..

A Dying God

Look, these soldiers who war for enemy Bush are not warring for freedom as Justice for Ourselves.

Evidence is Everything

there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our

dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of nutrality is unwarranted in respect for our victimized selves due to indiscriminate warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child breathing.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida = General Mahmoud Ahmad. Die bushite die.

Bush Threatens To Veto Bill That Bans Torture
http://www.huffingtonpost.com/2007/12/13/bush-threatens-to-veto-bi_n_76770.html

See how these DEMONS play? Torturing innocent people to death for the pleasures of a bushite liar, already warrants the death sentence in America. It's like lawless bushite nazi savages spying on innocent Justice loving Americans, "Just" to see what your doing, IS illegal, now.. well.. YOU decide as the 'made' uniformed. Make a phone call for freedom you lazy amerkan fuks. Ian Punnet says the towers fell naturally, and George Norry reports we got to get bin Laden.. blahblahblah. They know America is dying and couldn't care much less with all the laughing and cheering at YOUR expense. See.. You die in this scenario, and when your dead and gone, we don't want to hear your lost to indifference soul echo on, how we've forsaken you when all hope was gone. I've done everything imaginable with my severely limited funds, and received barely a whisper of thanks, never mind a dollar or two to stave off my hunger pangs. All success requires is for YOU to Realize, YOU have rights here too my brothers and sisters. Please be a friend, in not an enemy. G-D is miraclously in our need to

save our selves of needless murder. All dying but to only enrich war mongering criminals of the TV decreed. A war criminal like George Walker Bush that CNN stay undecided with.

America is truly dying by criminal command executed by traitor Bush. I call a Veto for Bush as our going down for good lawless Dictator. Nobody is lawless. The bushmob needs to be arrested for treason on 911.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded

Civilization.]

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious. [during the Nuremberg war crime trials, German Judges confessed with plenty of paper work, such action by Nazis would have warranted immediate death sentences] I have written on the demonic action of godless bushite of the antichrist for years while begging Humanity in joining We in hunting these demons down one by one for the glory and love of GOD, but, was not directly aware of all the video testifying the true will of US and God in demanding the destruction of bushite brayers to defend freedom as Life for everyone. Including America. check out youtube. These proud bushite child killers, can not be allowed to freely walk our Earth, after lawlessly murdering so many for nothing but to please the antichrist enemy of all humans Being. All the while chanting monotonously "whore yeah, whore yeah" Death to the bushite heroin pushers, death to those who war God's World indiscriminately with NATO, Sattler, Mattis, and Blount to escape the neocon zionists for the treasonous unholy crimes of 911 back in New York City, where thousands of whomever Americans, were murdered don't you know?

Demonic U.S. Soldiers Torment Iraqi Kids With a Water Bottle
http://www.youtube.com/watch?v=m9A_vxIOB-I

Can not even an American scream mercy for ourselves as "The People"? Bill a bushite demon enemy for the love of children everywhere. While demanding emergency water, food, and medicines be trucked in by the plane load. Do it or truly die American, do it or die. Christ grows angry with Americans who refuse to even pick up their phones to express outrage, it's as if, Americans, er.. I guess amerikans, couldn't care less for our dying Humanity. Support our rise for debate worldwide my friends, worldwide. America sucks.

Exit strategy: Outlaw lawlessness. Murder, rape, and the thieving of billions from America as STILL wrong.

Americans will start bounties of five million for each soldier who willingly, as demonic volunteers, murdered the population

of Fallujah. While Godly people will be rewarded in knowing, you loved God by destroying such evils that must --- to defend our still loving families. These demons now want free health care from Americans, if you can believe it, while denying such luxuries from Americans who don't enjoy murdering ourselves as freedom loving women and children. death to the LIAR bushite, death to the Satanic enemies of Man in the air force responsible for indiscriminate bombing that is done routinely. Just seek "NATO" in Google 'news', and realize, near every strike of thousands, they say oops from their safe bunkers in Florida. They are enemies of all Peoples, they are enemies of Christ in GOD. Bill a bushite for America why don't you fight to save some innocent lives?

"I told him, there's women and kids in that room," Lance Cpl. Humberto M. Mendoza said of Lance Cpl. Stephen B. Tatum. Tatum's response was, "Well, shoot them,"

Remember: CNN reports that Tatum is a Hero! Die bushite die.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida = General Mahmoud Ahmad.

We laugh with Jon Stewart regarding the seven Christians set up by the fbi to be al-kinda, to be put to death, or serve life term prison sentences as the innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

EVIL LIARS? Yup, demon evil.

/ / A record number of soldiers -- 109 -- have killed themselves this year \ \

We know the deaths are at least, 140 a week. When bushites die, Life cheers in joy over the saving of some innocent girls and boys. A good bushite is a dead bushite, halted from victimizing god as Ourselves.

/ / Withdraw your support entirely from those who perpetrate and make excuses for evil. \ \

I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

Support our calls for open debate on our international channels of state. CBC, CNN, BBC and FOXNEWS specialists, are warring our lives by forbidding US speaking for freedom's stake. "A free man shall not be imprisoned" is not ideology, it is the freedom to be freely communicated. To except CNN and FOXNEWS is unbiased when it comes to kidnapping and torture, war criming and poisonings, is to except corporate news interests do not serve the interests of defending US, the dying forsaken public. The waves are ours. Let Johnny speak for public challenge on Coast to Coast.

Again, Lt. Gen. James N. Mattis, the women and child killer, is the American 'Judge' appointed by the bushmob to delineate good from evil on this matter of fully confessed indiscriminate murdering. Again, thieving bushite dope pushers, don't hunt the terror group Aegis, no instead, drop bombs on innocent families, to die in collateral as cowards to tyranny. As so planned by the Pentagon's P2OG. Defend America's America, by supporting the arrest for global public trials of the criminal Bush regime, the evil neocons for the crimes of 911. CNN, CBC, and FOXNEWS is not doing our jobs by reporting blindly lawless bushite thieves for the antichrist are heroes. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Color of Law?

Look, families are threatened with arrest for not agreeing to cause neurological damage to their children. The cause for why their children are not in school, is not the parents fault, but the unlawful decision by the health authority to not allow the children in school. So, arresting the parents is irrational, for, it is the school authority that has disallowed the children an education. So, arrest those that refused children Justice. If anyone.

Israeli Child Killers: Documentary Proof
http://www.revisionisthistory.org/palestine46.html

This ain't right

Look, the guy who murdered the two thieves, is guilty for such. He acted to intentionally murder. MURDER. Do cops kill kids who steal bubble gums?, or if they did, would an American then think justice lacking? Cops were near the scene, and the murderer held no pause to kill thieves with their hands full. How about, 'drop to the ground' before pulling the trigger? No, the murderer told US he wanted to murder. Would spitting on the ground in America blindly call for executions because who knows what the spitter would have then done later? The thieves were of no alleged personal threat to life by the murderer, and would have likely been caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, and CBC doesn't believe YOU deserve to know the science of?

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as our suffering Mankind, is to blindly swear public allegiance to the for real DEMONIC antichrist THIEVES. Bushite enemies are evil nazi dumfuk scum, liars who cowardly watch America in her weakness be high jacked, and squeak nothing for Just words in our REAL defense for dying. Play pretending their actually real men, because to really be so, requires real strength. Not bush bitch Marines "WHORE YEAH!" strength, where they cowardly can't figure to defend America from ungodly war criminals. War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

sabbah.biz/mt/archives/2007/11/12/nazis-were-right-said-alan-dershowitz

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

Look, torture is criminal. Do you physically slap your neighbors, to find out if they did the criminal's crime? Should we slap Rivkin to ask him if he plans to commit crimes against the innocent, and if he then says no, again repeat till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1282. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. "Die bushite die".

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for

proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of iron flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon.

Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ.

AIDS as a weapon used by those of "Project Paperclip",
zionist neocons who war as enemies of humankind? What
evidence does a bushite need, when it thoughtlessly murders
America for demon bush as it's "G-D"?, the thing that does
all it's opinioning for it?, on who is guilty of evil doing
in complete blind faith puppeting LIES?

Protestor's sign: "killing innocent people is the problem
not the solution."

They shoot innocent women and children dead in the streets for
humor, and bushite pirates at CBC and CNN, state bushite in
Afghanistan are doing a good thing helping the bushmob escape
the crimes of 911 by warring for Muslim fundamentalism,
persecuting INNOCENT women and Christians, while for
entertainment, bomb innocent families running for their lives
from a Holy Church. Soulless child killing soldiers who CBC
execs would tell are our DEMONIC heroes. Lawless dope pushing
cop killers have got to go down dead screaming, instead of the
innocent - YOU and me they target for MURDER. Death to the
dishonorable bushite THIEVES, death to the enemy neocon LIARS
of GOD and man.

We can really be something greater, while a murderous bushite
thief, a LIAR, can hardly read or write Liberty without

flinching from self contempt.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being

robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV

doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation
http://www.alternet.org/story.html?StoryID=17816

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Signed,

Johnny America

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. American tax payers pay $1,222.00 per death squad goon, per day, while billing their sacrificing kids, tens of thousands for up and coming medical costs not covered. Did you know they, the incompetent bush regime, still haven't fixed Walter Reed? Who really cares right?

Again, national bushite broadcaster,

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of

all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi

campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

Murder for stolen money in America's America!, and CBC, CNN, FOXNEWS report no cause to care! Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to

stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on

hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq

done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. 911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow

US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for

Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening)
suggest G.W. Bush and Co. have publicly acted nothing
warranting immediate arrest, or have openly supported the
great Kucinich's plan for Impeachment, and consequently, are
leveraging America into this mess 'because' we were portrayed
as sold to the U.N. for freedom as Iraqi's Grand Strategy.
BOGUS! Nothing about the PLANNING of killing people
indiscriminately for financial criminal gains as bonafide
terrorists, for we had unrestricted access prior to dropping
bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Death to the bushite instead of the innocent loved in God

/ / IntelCenter issued a tacit warning \ \

Don't EVER forget, the private company Aegis has been officially found dressing up as AL-QAIDA! - AL-QAIDA! - AL-QAIDA! to murder pro-western forces in Iraq, while desecrating Elvis. Elvis Presley. If you don't love Elvis, there is something seriously wrong with America.

Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent

peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. (Any soldier who doesn't proudly talk of how it hunts those British soldiers who kidnapped barefoot children and victimized them on video, is a soldier worth destroying NOW to defend GOD and Life from needless death.) I HATE the REAL demon antichrist Christ says.

Kagan "You rarely know in the middle of a war, what the outcome will be."

Johnny Wizard the Creator "I win."

/ / The US has also been backing some pro-western politicians like Iyad Allawi \ \

Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES

AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

-

George Bush "The same folks that are bombing innocent people in Iraq were the ones who attacked us in America on September the 11th"

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

-

"A dead Iraqi is just another dead Iraqi... You know, so what?"

These demons are murdering god loving people as enemies to Humanity with the nazi assistance of corporate news america. Will YOU please, support my rise to speak publicly challenging anyone who disagrees with me, GEORGE WALKER BUSH needs to be arrested immediately for 911. Peter Power needs to be arrested for the London bombings. Sattler, Blount, and Russell need to be arrested, tried and put to death for WAR CRIMES against Iraq, along with those responsible for other indiscriminate targetings against innocent PEOPLES for the zionist neocon god betrayers hidden in shadows as the un-known "Joint Chiefs of Staff" demon enemies.

True US Bush Iraq-Afghan Wars Deaths At 21,000

http://www.rense.com/general77/true.htm

"In the last four years of war in Afghanistan and Iraq, the unreported death toll of American military personnel is in excess of 20,000 (20,871)"

It's in cowardice that 'Americans' don't speak out for the lost 'loves' of their dumber than dumb sons.

-

Demon enemy bushite in Afghanistan murder children without real understanding 'by accident', [no evidence is shown to ANYONE, just treasonous demon evil bushite necon spewing, "red handed"] lies after lies, while, the Taliban, we are told, are so much worse, because they would murder "ANYONE." Make sense? No. Remember: (The bush regime has been found funding Al-Qaida in Iran to commit terrorist acts against COWARDLY soldiers without free minds to speak in their own defenses.)

/ / The group is demanding his impeachment not only for his crimes against humanity but for lying to the American people about his worship of Satan. \ \

It almost makes me laugh, and then, I push to remind, we are so very far from where civilized is dreamed to reside. Look, think of US as actors, (because that is who we are,) and support my rise to proclaim by the will of a suffering for real human kind. Believe in US, as if your life depends on it, because it does my friends, because it does. Live free or die unwillingly.

Can you not as a American Man, destroy bushite brayers to defend innocent life? Americans could not care less presently for the value of Human life. Americans do nothing to defend their lives, but officially plan to murder more for the Satanic demon antichrist in silence. Out of millions, how many even bother to make a phone call to talk radio against the neocon. how many? Five or six? Seriously.. How many? I know bushites are demon liars for the neocon, but is it really impossible for "Americans" to try speaking?, in the face of murdering millions more forsaken by enemy mortal, pro child killer George Norry? George Norry too nice of a guy to even bother question the value of American children? The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

He and his family
have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the

Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

Or, are we going to go further with this: George W. Bush:
"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering
answers to any question on the science of God as is pertains
to Justice measured, but this is just who I am to be conscious
man. So, if we can get over the shock of me being so
especially normal, maybe we can then realize, I have some
simple good old ideas that transcend through time by rational
understanding communicable between any two people. I am not a
"miracle worker" to all those I advise to not eat Aspartame
because it's a poison that also makes your body crave
un-needed carbs, that will likely convert to more unless fat.
So, it slowly kills you, while making you fatter than you need
be along the dead end journey faithing in "the system". So,
why do some do it religiously? Who cares (for now) but to
say, our governments are failing US miserably. I spoke
personally with one of the head scientists in Canada at
"Health Food and Safety", and he told me the scientific
analysis done by reputable scientists I found freely available
repeatedly on the internet years ago, was completely true.
(It breaks down to formaldehyde, and methanol (a slow lethal
poison), among other shockers. Poison. P-o-i-s-o-n-s in our
food stuffs. Poisons.) However, he could take no action to
defend Canadians "officially" because we, Canadians, have our
corporate interest news departments completely refusing to
defend ourselves from corporate exploitation anywhere, and as
natural consequence, we, as the dying world, would together
unrepresented, probably lose a law suit from mutant Monsanto
through the self inflicted bounds of OUR censored WTO program.
- instituted through the top secretly mastered puppet people
persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

/ / Wash. Post parroted White House claim that Iraq war was authorized by U.N. Security Council \ \

Seriously, the propagandists responsible, need to REALLY, be put to death after found out through US public court proceeding. NO ONE would disagree that Iraq is a war crime, where more than a MILLION INNOCENT PEOPLE have been raped, tortured, or murdered by dumfuk bushite grunts. If YOU actually think about it, all of everyone would gladly kill an unholy bushite terrorist, before allowing it to murder families running for our lives as loving Church goers.

Death to our Enemies

My friends, People are dying because the, Israel=Jew, magic radio and TV crews, wont broadcast THE TRUTHS of our publicly available findings. Police findings. People are dying needlessly, illegally, irrationally like meaning really stupidly on Bush's behalf, for they claim, we don't want to be 'embarrassing ourselves' with MY wisdom, You people seem to not be there for God when the chips are way down, and truth is plain to see.. 911 was an inside job, and CBC with CNN don't want to tell us about it, but will watch our LOVED children lied to, to go out and die further for a causeless war of criminality unparalleled in it's wickedness.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal

of unfathomable evil?, who is just too 'stupid' to understand
why we are innocent until proven otherwise?, is really
something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he
played no part whatsoever in 911, then later, offered himself
for arrest, confident he would be acquitted. Not corporately
newsworthy though, so, few even know why their American child
was later died in the terrorists act of corporate contempt for
US living Freedom with something greater as real Justice wills

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

I'm not the one that brought AUK to this NG. Markie-tards entourage brought
them here, I just agree with AUK methodology towards the kOOks.

I have a sense of humor that would not be understood by normal Usenet users.
Breakdown???? Hardly, I have real life drama in the real world.
I'm glad I surprised you, maybe you have some kookologist in you that can be
brought out and used for the common good. If not, expect the worst of me and
those of AUK and AFA-B
A breakdown over Markie-tard's lame repeat attempts at insults????
MR.Serious???? Since when? I like to stay on topic, but I'm not opposed to
trolling the kOOks of rec.radio.ect. I am a kOOkologist in training. Ask
anyone in AUK or AFA-B.

Neither do I crosspost to other groups nor repost old material over and over and over.

Mark is plainly in violation of his ISP's terms of service.

I think I will use Mark's screen names to post comments to the numerous Islamic news groups. I'll flood them like he does here. Then I'll post his call sign just to give the Muslims a means to find him and, if we're lucky, maybe they will pay him a social visit.
Flood on, Markie. Oh, and I'll be sure to include links to Mark's blogs so they can see that he claims to be a Jew, too. They'll LOVE that!

I've already tried complaints to the HughesNet abuse accounts (there are several) to no avail. I'm willing to try again, although I do think that email abuse accounts often turn out to be hopeless black holes tended by the least important persons in the organization.

For that reason, if I try again, I'll print out Mr. Morgan's spews with full headers and send them as surface mail to HughesNet, and I'll do that every week for a month, postage be damned. Bypassing the 'droids at the email abuse accounts may turn out to be more effective. All I want is two other people to agree to do the same, and I'll get started ASAP.

Naturally, my real name and address will be on the envelopes of complaint, and I'll also include a letter of explanation. My surface mail will be sent to

Hughes Network Systems
11717 Exploration Lane
Germantown, MD 20876
Attention: Customer Relations

and I'll cite the HughesNet acceptable use policy, paragraphs 2.1 and 2.2, published at http://tinyurl.com/2o7ppq as the authority for my letter of complaint. Specifically, paragraph 2.2 states that a customer is forbidden "... (f) to bombard individuals or newsgroups with uninvited communications, data or information, or other similar activities ..." and Mr. Morgan has been in flagrant violation of that section for years.

Any takers?

I think your right Dave. I would think it would take more than
one or even a few complaining about him, it would take a
dozen or more people making the same complaint.

If you word a good letter, I would cut & paste it on the groups he spam's and make sure that people know where to send the complaints.

I fixed it for you Mark, just want to make sure everyone can see your
response so they can send the complaint.

and I'll cite the HughesNet acceptable use policy, paragraphs 2.1 and

You already admitted that you don't even know or can't prove who is posting what, yet you make accusations that somebody is posting useless and freeble lies...if you would stop accusing folks of crap you are unsure of and can't prove, perhaps they would not feel a need to make your accusations a reality. Most folks are tired of your pointless flooding, lying, and running to LE with your bullshit made up crimes.

Yes, Mark displayed no small amount of cruelty when he wrote of Steve's daughter.
On March 4th, 2007 Mark posted:
"what attack ? after all he claims he is not attacking me or my family when he posts lies about me where is the attack in posting the truth that he sired a defective daughter and failed to prevent her worthless existance in the womb at least these things are true if Stve is telling the truth about her on his websie"

If ever there was any worthless "thing" that was expelled from a womb, man or beast, it is Mark Morgan.

no dloyd nad according to you anything that can found is fair game I
simply did to him as he did to me an others

fair is fair dloyd
///

But when Dloyd discovered and posted your public wedding wish list to
Usenet, you went on a weeks-long tirade accusing Dloyd of theft. You were
quite obviously beside yourself with anger.
I wonder if Steve felt as violated as you after you attacked his innocent
daughter?
Dloyd did to you as you did to others.

To quote you, fair is fair, Mark.

Show me where or when I said such. As Roger would say, post proof or
(expeletives deleted).
I have never condoned cold-hearted cruelty.
I have thrown the gauntlet at your feet. Find and post proof that I ever
said such a thing.

I gave you an answer

it is simple logic that I as the target of your defamiory psoting and
yur efforts to forge my messages have the right of self defense

If this is so, then also can Roger, Dloyd, Delorean and a plethora of other
Hams whom you have accused of "flase" acts defend themselves.
But in your self-centered selfishness, you are incapable of seeing what you
do to others. These groups are all about you, aren't they?

Your dyslexic world is very obviously skewed.

What is insane is that you respond hundreds of times per diem. For every one of "Dloyd's" posts, you respond twenty or thirty fold and for the lack of any responses, dredge up months-old posts just for the pure sake of flooding.

Again, Mark, this is, in your weak mind, all about YOU. Something is definitely askew in your misfiring cranium.

what false accusation have ever made?

Accusing a perfectly innocent bystander of being a child molestor comes to
mind.
And accusing just about everybody under the sun in these groups of being
Dloyd, Steve, Roger or DeLorean comes to mind.
You are quite obviously confused/lying to the point of severe dementia.

Your current mental state garners no jealousy, Mark. Rather, you elicit no
small amount of pity and many of us actually feel sorry for you and your
aberrant lifestyle.

are incapable of authoring a single, coherent sentence without torturing the
English language.

I "orve" nothing. Whatever that is....

But you simply cannot help yourself, can you? No matter what, you simply
MUST get the last word in, however childish it may be.

You belong on a playground playing tag with fifth-graders, Mark.

1611. Ambassador Heil Is Correct

When Ambassador Heil aptly described you as a Myna Bird, he hit the proverbial nail on the head.

It irks your sense of self-worth that the very same Mr. Heil that you several times attempted to befriend looked at you as nothing more than a mere newsgroup plague. A freak to be brushed off and summarily ignored. He rebuffed/ignored your weak attempts to concur with his posts and sloughed you off. As a result you felt that Mr Heil was not paying you the respect and recognition you so desperately seek and need, so you, after having your pride hurt, went on the offensive and attacked him.

You will never be able to worm your way into the good graces of others, Mark, especially the Code qualified Hams that you secretly envy.

I, for one, sincerely hope that Ambassador Heil will find success in his quest to get you ousted from Usenet. As can be seen, he has garnered several followers who are like-minded.

Keep up your crosspostings, Mark. You are not winning any friends.

You accused me of hacking your wife's amazon account and theft of
credit card information for one. There was no hacking or theft of
credit card information by me and you have never offered any shred of
evidence to prove your FALSE accusation. So STFU with your nonsense
lying.

No Mark, you are a "victum" of your own stupidity and buffonery.

I have never victimized you, and you have yet to prove any of the shit
that you allege that I have done. Your perception of the law is
profoundly twisted. BTW lampooning you and making fun of your
stupidity does not make you a victum.

I've claimed nothing of the kind. What made up trash? You keep
alleging I post this and that, and I don't know what in the world you
are yapping about. I haven't posted even a quarter of the crap you
allege. But who cares. I can deal with your "dloyd" rants on the
group, considering all of the positive emails I get each week, you are
quite a kooky butt of humor.

And there you go, all the food that fat fucker has consumed could feed
about 10 families in South Africa. Sending him to an island with no
food would probably save his life.

No mark, that is Mocking your stupid sniveling whining of being a "victum" all of the time. If I was going to say you are a victim, I would spell it right, dummy. When I put "victum" I am mocking you with your own fucked up spelling. Lampooning your stupidity is not a crime.

"I have never victimized you, and you have yet to prove any of the shit
that you allege that I have done. Your perception of the law is profoundly twisted. BTW lampooning you and making fun of your stupidity does not make you a victum."

It is not a matter of telling the truth, it is my opinion based on the crap that you post, you said she stole drugs and you turned her in so she could get help with her "problem." It appears that she has a drug problem, what other problem would make someone steal drugs? Other than a drug problem.

If she wasn't using drugs, then she was stealing drugs to profit from. That makes her a drug dealer.

Mark sounds as if he's taken a few drugs along the way, too.

Yes. Follow Dave Heil's suggestion and start complaining to Hughesnet.
If enough of us complain, Hughesnet will eventually be forced to do
something about the 'tard. One possiblity is abuse@hns.com; others are
listed at http://stopkb9rqz.blogspot.com - a blog which will grow and
contain stats of Mark's abuse, plus the relevant portions of Hughesnet's
Acceptable Use Policy as published at http://tinyurl.com/2o7ppq.

That way, Mark can't flood the info off your news server, as he must have
done with the previous posts by Dave Heil and myself.

If other people decide to join in the effort, then I'll be sending
regular surface mails of complaint to Hughes, as well as filling their
abuse account's email box. I'll also be on the phone to them in an
attempt to put a stop to this crap.

If no one else joins in, then I'll take down the blog and make no further
efforts to pump out this cesspool. Mark and his mini-Marks can have it
all to themselves.
